

# CETRA

Centre for Translation Studies

## Twenty-second Doctoral Summer School

Katholieke Universiteit Leuven, Belgium

16 - 28 August 2010

CETRA Chair Professor:

**Sherry Simon**

**Concordia University**

In 1989 José Lambert created a special **research program in Translation Studies** at the University of Leuven in order to promote research training in the study of translational phenomena and to stimulate high-level research into the cultural functions of translation. Since then, this unique program has attracted talented PhD students and young scholars who spend two weeks of research under the supervision of a team of prominent scholars, and under the supervision of the Chair Professor, an annually appointed expert in the field of Translation Studies. From 1989 on, the program has hosted participants from Austria to Australia, from Brazil to Burundi, and from China to the Czech Republic.

The list of CETRA professors may serve as an illustration of the program's openness to the different currents in the international world of Translation Studies: Gideon Toury (Tel Aviv, 1989), Hans Vermeer (Heidelberg, 1990), Susan Bassnett (Warwick, 1991), Albrecht Neubert (Leipzig, 1992), Daniel Gile (Paris, 1993), Mary Snell-Hornby (Vienna, 1994), †André Lefevere (Austin, 1995), Anthony Pym (Tarragona, 1996), Yves Gambier (Turku, 1997), Lawrence Venuti (Philadelphia, 1998), Andrew Chesterman (Helsinki, 1999), Christiane Nord (Magdeburg, 2000), Mona Baker (Manchester, 2001), Maria Tymoczko (Amherst, Massachusetts, 2002), Ian Mason (Edinburgh, 2003), Michael Cronin (Dublin, 2004), †Daniel Simeoni (Toronto, 2005), Harish Trivedi (Delhi, 2006), Miriam Shlesinger (Tel Aviv, 2007), Kirsten Malmkjaer (London, 2008) and Martha Cheung (Hong Kong, 2009).

### **Basic activities and components of the Summer Session:**

1. *Public Lectures* by the CETRA Professor on key topics. A preliminary reading list will be furnished and all topics are to be further developed in discussions.
2. *Theoretical-methodological seminars* given by the CETRA staff. Basic reading materials will be made available in advance.
3. *Tutorials*: individual discussions of participants' research with the CETRA Professor and the CETRA staff.
4. *Students' papers*: presentation of participants' individual research projects followed by open discussion.
5. *Publication*: each participant is invited to submit an article based on the presentation, to be refereed and published on the CETRA website.
